

# EXPERIENCE A OBAN™ DISTILLERY TOUR

OBAN DISTILLERY takes its name from the town where the Highlands meet the Islands. Nestling beneath the steep cliff that overlooks Oban, one of Scotland's oldest sources of single malt whisky is but a stone's throw from the sea. This coastal location is accurately reflected by the character of the Oban 14 year old single malt whisky. At Oban Distillery you can see the distillers at work crafting a rich, sweet malt whisky with a subtle hint of sea salt and peaty smokiness
